New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

"Five-Plus Tools" is a scouting term that refers to a rare and elite type of amateur baseball prospect. A player with five-plus tools grades out well above average in all five skill areas, known as tools: hitting, power, running, throwing, and fielding. While most baseball fans critique players who are already on the professional level, a scout needs to find raw talent and figure out if they're the "future." In Five-Plus Tools, Dave Perkin, who was a professional scout and is currently the Major League Baseball Draft correspondent for Sports Illustrated, breaks down not only what all scouts are looking for, but also how amateur players are evaluated and recognized. Broken up into three sections, Perkin teaches the inner details of amateur scouting, using field reports on athletes he's scouted over the years. Once the understanding of what a scout looks for is understood, Perkin delves into the current major leaguers and gives scouting insight on their game, skills, and influence on the sport. Finally, the hot-button issues in baseball are covered, including such points

as Sabermetrics, baseball analysis, and an explanation of why few of yesterday's heroes could succeed in modern baseball. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports? books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

As a co-founder of The Byrds and The Flying Burrito Brothers, Chris Hillman is arguably the primary architect of what's come to be known as country rock. He went on to record and perform in various configurations, including as a member of Stephen Stills's Manassas and as a co-founder of The Souther-Hillman-Furay Band. In the 1980s he formed The Desert Rose Band, scoring eight Top 10 Billboard country hits. He's released a number of solo efforts, including 2017's highly acclaimed *Bidin' My Time*—the final album produced by the late Tom Petty. In *Time Between*, Hillman shares his quintessentially Southern Californian experience, from an idyllic, rural 1950s childhood; to achieving worldwide fame thanks to hits such as "Mr. Tambourine Man," "Turn! Turn! Turn!" and "Eight Miles High"; to becoming the first musician to move to Laurel Canyon. Featuring behind-the-scenes insights on his time in The Byrds, his productive but sometimes complicated relationship with Gram Parsons, his role in launching the careers of

Buffalo Springfield and Emmylou Harris, and the ups and downs of life in various bands, music is only part of his story. Within the pages of *Time Between*, Hillman reveals the details of his personal life with candor and vulnerability, writing honestly about the shocking tragedy that struck his family when he was a teenager, his subsequent struggles with anger, and how his spiritual journey led him to a place of deep faith that allowed him to extend forgiveness and experience wholeness. Chris Hillman is much more than a rock star. He is truly a founding father of American music and a man who has faced down the challenges of life to discover what really matters.

Little Jimmy goes on a dangerous journey, teaching his dad an important lesson about solidarity.

The action in this historical novel takes place during the turbulent final full year of American military involvement in Vietnam, 1972. First Lieutenant Tom Ross and his fellow investigators of MACV's 1st Special Investigations Unit constantly find themselves in challenging situations while investigating drug use, drug smuggling and other illegal activities by U.S. military personnel in Saigon and other locations. Ross meets a beautiful young half-French, half-Vietnamese tour guide named Genevieve Ferrand who, unknowingly, helps him by introducing him to her father, Henri Ferrand. Henri has been living in Vietnam since 1947 when it was still French Indochina. He has more information about the high-ranking Vietnamese civilian and military officials who are at the heart of the rampant corruption, drug trafficking and black marketing than anyone else. He's been blackmailed and he and his daughters' lives have been threatened by his boss, the second richest and one of the most corrupt and dangerous men in all of South Vietnam. Henri has an unusual

plan to save his daughters' life, but it will take a deal with Lieutenant Ross to make the plan work.

Meetings between high-ranking Viet Cong members of the Communist Provisional Revolutionary Government provide a unique insight and viewpoints from the other side as they plan for the final overthrow of South Vietnam's puppet government shortly after the departure of U.S. troops. Their direct involvement in the corruption of South Vietnamese leaders, the drug trade, and how they got millions of dollars from the U.S. government, shocks Lieutenant Ross and the MACV commander once the truth is revealed in the journals kept by the Sage of Saigon.
